Breakdown or is involved in a road traffic collision on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If **your vehicle breaks down** or is involved in a **road traffic collision** on a French motorway, motorway service area, or other European private motorway, **you** must use the roadside emergency telephones as **we** cannot send assistance. If the **vehicle** is recovered by the police or authorised motorway services, **you** may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

We will **reimburse** these charges as long as the **vehicle** is towed to the recovery company's depot. This may also apply to other roads, so **we** recommend **you** use the emergency phones where available. If they will not send a breakdown recovery vehicle, **you** should contact **us**.

Section D: European Motoring Assistance

7. If, following a **breakdown**, the **vehicle** needs to be repaired, **you** must not delay or refuse repairs whilst **you** are in **Europe**. If **you** do, and in **our** reasonable opinion that would lead to additional costs being incurred, **we** reserve the right to refuse to provide cover under Section D3 (Onward travel in Europe) or Section D4 (Getting **your vehicle home**);

General Conditions

1. **You** must pay **your** premium.
2. **You** must request services directly from **us**, as **we** will only provide cover if **we** make arrangements to help **you**.
3. If it does not, **you** will need to take **your vehicle** to a place of repair and **your John Lewis Finance Breakdown Cover** will not cover this.
4. **We** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair.
